

WELCOME

There is no place like home, especially when you're not feeling well. At **Heavensent Home Healthcare**, we can help you stop worrying about day to day activities like personal care, hygiene, shopping, meal preparation, and light housekeeping. We refer loving home health aides, certified nurses' aides, and skilled nurses who are available to provide in-home assistance on an hourly or around-the-clock basis.

At **Heavensent Home Healthcare**, the caregivers we refer are thoroughly screened and carefully selected to ensure that each caregiver who enters our client's home is qualified, honest, and compassionate. All caregivers undergo national background screenings, reference checks, and are licensed, insured, bonded.

So whether you need a caregiver for a few days, or a more supportive long-term arrangement, we can help. Our home care nurse will work with you and your family to come up with a home care schedule that's just right for you.

We are located in South Florida and we are licensed to provide home care services throughout Broward and Palm Beach counties. Call us today so that we can discuss your specific homecare needs. We have loving caregivers in your area who are ready to provide you with exceptional home care that will allow you to live safely, securely, and happy at home. At **Heavensent Home Healthcare**, senior care is our passion!

ABOUT US

We are a Nurse owned and operated licensed and insured Nurse Registry that is in full compliance and good standing with the State of Florida Agency for Healthcare Administration (AHCA). We specialize in referring caregivers who provide private duty home care to the elderly, frail, and disabled in the comfort of their homes or facility. We are located in South Florida and service both Broward and Palm Beach counties where we work hard to maintain our positive reputation. Give us a call today and we would love to provide you with phone numbers of some of our previous and present clients as references.

OUR SERVICES

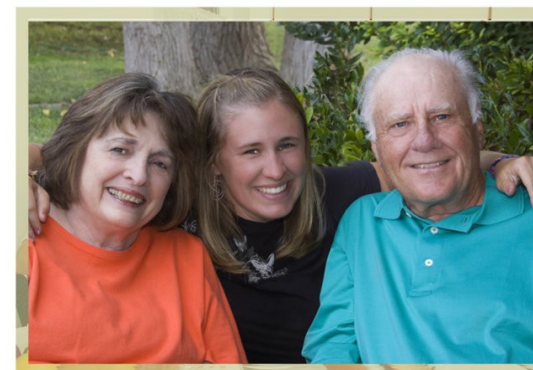

The home care services provided by the caregivers we refer are flexible and client centered. Before we send a caregiver to your home, we ensure that each caregiver has been properly trained. All caregivers undergo a strict screening process and are trained to respond to emergencies as well as in preventing further health complications. Here is a list of some of the services that are provided by the caregivers on an hourly or live-in basis:

- Assistance with bathing
- Assistance with grooming and dressing
- Meal preparation and assistance with eating
- Light Housekeeping and Laundry
- Companionship
- Cognitive stimulation through games and activities
- Shopping and Errands
- Transportation to appointments
- Scheduling appointments and bill management
- Medication reminders
- Respite care

OUR MISSION

*"At **Heavensent Home Healthcare**, our mission is to provide the best home care services by referring the most experienced, professional, and loving caregivers. This will allow our clients to feel, safe, secure, and happy at home- and will give loved ones a peace of mind."*
